DESCRIPTION

This Geneva pen set with ballpoint stylus and roller combines refined design with practicality. The silhouette features a matte-finish upper section and a glossy lower section with chrome accents, crafted from metal and presented in an Avenue sliding gift box (16.9 x 5.2 x 2 cm). The set provides a comfortable grip and smooth writing; metal surfaces are best maintained with a soft cloth to preserve the finish.

For a custom / personalised pen set with logo, we offer tampography and laser engraving. Perfect for businesses, sports clubs, associations, events and private customers seeking an elegant promotional gift or branded item.
