DESCRIPTION

The Fidelio ballpoint pen pairs refined design with quality materials: a metal body with a lower section covered in textured PU featuring a cross motif, providing a comfortable grip and a sophisticated look. A premium black ink refill is included and the pen comes in a "LUXE" gift box, making it suitable for office use, corporate gifts or event presents. Care is straightforward: wipe with a soft cloth to preserve the metal and PU finish.

We offer a custom / personalised pen with logo using tampography or laser engraving, both suitable for metal and PU and delivering crisp, long-lasting results. Ideal for companies, sports clubs, associations, events and private individuals seeking an elegant promotional item or gift. Free quotes and an art studio are available to prepare your logo.
