DESCRIPTION

The Gianna recycled cardboard notebook is a lightweight, flexible notebook designed for everyday note-taking. Its recycled cardboard cover gives it a natural, durable look, and the visible stitching along the spine adds an artisanal touch. It contains 80 ruled white pages (70 g/m²) made in Italy, providing a smooth writing surface and good page stability. Compact and easy to carry, this notebook is practical for daily use and should be kept away from moisture to preserve its quality.

Offer a custom / personalised notebook with logo for clients, events or promotional campaigns: tampography and screen printing on objects are available to apply your logo or message. The Gianna notebook is suitable for companies, sports clubs, associations, schools, youth movements and private individuals seeking a practical, eco-conscious promotional item.
