DESCRIPTION

The custom / personalised Fabia notebook with logo is a lightweight, flexible notebook perfect for everyday note-taking. Its cover is made from responsibly sourced materials: the brown cover contains 15% coffee residues, the green cover 15% olive residues, each combined with 40% post-consumer recycled waste on Paper Crush. It features visible sewn binding and 40 ruled sheets of white recycled paper (70 g/m²) from responsible sources — a practical, understated choice for meetings, jotting ideas or daily organisation. Care is simple: keep dry to preserve the paper fibres.

We offer the custom / personalised Fabia notebook with logo using pad printing and screen printing for objects, techniques suitable for paper surfaces. Ideal for companies, sports clubs, associations, schools, youth movements, events and private individuals seeking a useful, eco-conscious branded item.
