DESCRIPTION

The Kilau notebook in recycled leather combines refined looks with durability: the recycled leather cover protects 80 lined cream recycled paper pages and features an elastic closure, pen loop, ribbon marker and a Kraft paper pocket. The distinctive texture gives each notebook its own character and makes it a practical companion for note-taking, idea organisation or journaling. Care is straightforward: wipe the cover with a soft cloth and avoid prolonged exposure to moisture to preserve the recycled leather appearance.

This custom personalised notebook with logo is well suited to businesses, sports clubs, associations, schools, youth movements and individuals. Available marking techniques include screen printing, pad printing, digital printing on objects, serigraphic transfers and DTF. Our in-house graphic studio can retouch or vectorise your logo and prepare the artwork for printing.
