DESCRIPTION

This custom / personalised hardcover notebook with logo is designed for everyday note-taking. It is lightweight and easy to carry, featuring a rigid cover made from eco-responsible materials: the brown cover contains coffee residues, the green olive residues and the white corn. Inside are 80 lined sheets of recycled paper, providing a pleasant writing surface. Simple to keep in a bag or on a desk, the notebook requires minimal care — avoid prolonged exposure to moisture to preserve the cover and pages.

Personalisation options include embossing and pad printing (tampography) to customise your custom / personalised hardcover notebook with logo, suitable for companies, sports clubs, associations, schools, events and private individuals. Our graphic studio can retouch or vectorise your logo for a precise, professional finish.
