DESCRIPTION

The Parker Jotter Recycled ballpoint pen combines style and sustainability for everyday use at the office, meetings or events. Its scratch-resistant body in recycled plastic and recycled stainless steel details provide a comfortable grip and durable finish. The Quinkflow® refill delivers smooth blue ink, suitable for signatures and note-taking. Easy to maintain with a wipe, this pen is a practical, more responsible choice for businesses and individuals mindful of environmental impact.

Offer a custom / personalised pen with logo for marketing campaigns, corporate gifts, trade shows or clubs: personalisation is available by pad printing (tampography), laser engraving, screen printing on objects and digital printing. Ideal for companies, associations, schools, sports clubs, events and private customers. Our design studio can vectorise or refine your logo before marking.
