DESCRIPTION

The Artemaa colouring set with 6 poplar wood pencils is designed for children's creative play. Each pencil measures 87 x 7 mm and comes in a kraft paper box with an instruction leaflet, making it easy to store and carry. The wood is sourced from responsibly managed forests, offering a more sustainable choice for art supplies. Warning: not suitable for children under three years due to small parts and a choking hazard.

We offer the custom / personalised Artemaa colouring set with logo using several marking methods suitable for objects: tampography, object screen printing, doming and digital printing. Perfect for businesses, clubs, associations, events and private customers looking for a useful and eco-conscious giveaway.
