## DESCRIPTION

Artemaa colouring set with 12 poplar wood pencils, supplied in a kraft paper box with an instruction leaflet. The pencils measure 87 x 7 mm and have a natural feel thanks to the wood material. Choosing wood from responsibly managed forests supports more sustainable production. Warning: not suitable for children under three years (small parts, choking hazard). Store the set in a dry place, away from heat, to preserve the finish and the kraft box.

Personalise this custom / personalised colouring set with logo using tampography, sérigraphie objet, doming or digital printing. Suitable for businesses, sports clubs, associations, schools, events and private individuals looking for promotional gifts. Our design studio can edit or vectorise your logo to ensure a crisp print on the box or pencils.
