DESCRIPTION

The Samambu bamboo duo pen combines practicality with environmental care, made from FSC-certified bamboo. It features two ends: a black-ink ballpoint with a 1.00 mm tip and a specified writing length, and an inkless pen whose graphite tip leaves visible marks without cartridges or refills. Lightweight and comfortable to hold, it is suitable for everyday writing, note-taking and promotional use. The natural material gives a neat look and a pleasant tactile feel for recipients.

Custom / personalised Samambu bamboo duo pen with logo can be branded using tampography, laser engraving and digital printing. Ideal for companies, sports clubs, associations, events or private individuals who want a useful, eco-friendlier giveaway. Our graphics studio can refine your logo to ensure a precise, professional finish.
