DESCRIPTION

The Seniko bamboo inkless pen is a simple, sustainable writing tool that requires no cartridges or refills. Its 0.5 mm black graphite tip produces clear marks and provides a writing length of around 1500 metres. Made from FSC-certified bamboo, the pen combines a natural feel with durability while reducing plastic use. Minimal maintenance is needed — there is no ink to dry out or replace; just protect the tip to keep writing performance consistent.

As a promotional item, the custom / personalised Seniko bamboo inkless pen with logo can be decorated by tampography, laser engraving and digital printing. Suitable for businesses, sports clubs, associations, events and private individuals seeking an eco-friendly giveaway.
