DESCRIPTION

The Delfina pen phone stand combines functionality with responsible materials: a body in FSC-certified bamboo, button and central ring in recycled plastic, a brass tip and blue ink with long writing capacity. It serves a dual purpose: smooth 1 mm writing and a sturdy support to hold a smartphone upright for hands-free viewing. Care is straightforward — wipe with a dry or slightly damp cloth and avoid immersion.

This custom / personalised pen with logo can be marked by pad printing, digital printing, screen printing on objects or laser engraving. Perfect for companies, sports clubs, associations, events and private customers. Our studio can retouch or vectorise your logo and include the branding in the quote.
