DESCRIPTION

The Dora multifunction pen in recycled aluminium is a compact, versatile tool suited to office, site or everyday use. Its body of recycled aluminium with a silver finish houses a double-sided ruler, spirit level, protractor, steel screwdriver and a black rubber stylus, combining several functions without bulk. Black ink with a 1.0 mm tip provides precise writing for up to 400 metres, while the iron clip and RABS components ensure a comfortable, durable feel.

Order a custom / personalised multifunction pen with logo using laser engraving or pad printing for companies, sports clubs, associations, events and private customers. A practical promotional item or gift that presents your logo neatly and durably.
