DESCRIPTION

The Legato pen set pairs a ballpoint and a rollerball in an elegant design, featuring an upper body of recycled brass with gold chrome finishes and a contrasting black lower body. Both pens use blue ink; the ballpoint has a 1 mm tip (writing length 800 m) and the roller a 0.7 mm tip (writing length 400 m). Comfortable for everyday office use and meetings, they are easy to care for—wiping with a soft cloth will help preserve the metal finishes.

This custom personalised pen set with logo can be marked by laser engraving or digital printing. Ideal for companies, sports clubs, associations, events or private customers seeking a refined gift, customisation allows you to apply a logo or a bespoke message.
