DESCRIPTION

Compact and practical, this pencil sharpener with an integrated eraser and transparent caps on both ends is suitable for everyday use at the office, at school or at home. Its small dimensions (6.2 x 3.3 x 1.6 cm) make it easy to slip into a pencil case or keep on a desk. Made from ABS and TPR plastic, it combines durability with a comfortable grip. Care is straightforward: a damp cloth will remove dust and marks without harming the eraser or caps.
