DESCRIPTION

The Karst stone pen features a hexagonal body made of 40% ABS plastic and 60% calcium carbonate, a matte finish and an integrated steel clip for comfortable grip and excellent balance. Its Floating Ball® ink system produces a smooth, rich line with very fast drying, perfect for daily writing, sketching or note-taking. Free of phthalates and easy to use, this pen is a stylish and practical addition to any stationery collection.

Offer this custom / personalised Karst stone pen with logo using tampography to apply logos and text. Suitable for companies, sports clubs, associations, schools, events and private customers; we handle artwork preparation and production with no minimum order. Free quotes within 24 hours on weekdays and collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
