Its soft leather-look cover and sewn binding allow the notebook to lie flat for comfortable writing, while the waterproof, tear-resistant stone paper provides a smooth writing surface without ink bleed. An index, table of contents, double pages for key goals and dates, an expandable rear pocket and two ribbon bookmarks add practical convenience and organisation to each page.

We offer a custom / personalised notebook with logo using embossing, digital printing, pad printing, object screen printing and doming to apply your branding. Suitable for businesses, sports clubs, associations, events and private customers, this personalised notebook makes an effective promotional item or corporate gift.
