DESCRIPTION

The 23" Bella storm umbrella with automatic opening is built to withstand gusty conditions: a polyester canopy, sturdy metal shaft and a patented fiberglass frame that provides flexibility in wind. The straight handle and plastic fittings give comfortable handling and simple care. Available in a wide range of contemporary colours, it offers a large printable area perfect for showcasing a logo while remaining compact and easy to carry.

This custom / personalised umbrella with logo can be customised using object screen printing, DTF printing, multicolour transfers and sublimation. Ideal for companies, sports clubs, associations, events and private customers seeking a practical, highly visible accessory. Our design studio can prepare or vectorise your artwork for print.
