DESCRIPTION

The 30" windproof golf umbrella Romee shelters two people with a recycled PET polyester pongee canopy, a sturdy metal shaft and fibre-glass ribs for excellent flexibility in windy conditions. The wooden handle and neat end caps add to the feel and handling comfort. Designed to be durable and easy to care for: shake off water, allow to dry and store away from prolonged damp to keep it in good condition.

Personalisation options include screen printing on the fabric, multicolour transfers and DTF printing. A great choice as a custom / personalised golf umbrella with logo for companies, sports clubs, associations, events and individuals looking for a useful, sustainable branded item.
