DESCRIPTION

Unisex 6-panel cap designed for a close, comfortable fit. The six-panel construction and pre-shaped peak provide a clean silhouette, while the polyester-elastane blend gives a degree of stretch and reliable shape retention. One Size with an adjustable Velcro® strap fits common head circumferences; stitched eyelets offer breathability. Gentle cleaning is recommended to maintain form.

Practical details include the pre-shaped peak for consistent structure, the Velcro® closure for fine adjustment and discreet reinforced stitching for longevity. Suitable for everyday wear, outdoor events and as part of a team or corporate look.

Order this personalised 6-panel cap from one piece and choose from our marking options: embroidery, screen printing transfer, DTF printing, flex or MSO transfer. Ideal for companies, sports clubs, associations, schools, youth movements and private customers; our graphic studio can retouch or vectorise your logo before production.
