DESCRIPTION

The Irwin beanie is a unisex, rib-knit 1x1 acrylic accessory designed for warmth and a secure fit. Its double-folded cuff adds extra insulation and stability, making it perfect for outdoor activities or everyday wear. The synthetic knit keeps its shape and comfort over time and is easy to care for, while the classic look pairs well with a wide range of outfits.

As a custom / personalised beanie with logo, it can be decorated using embroidery, embroidered badges, DTF printing, flex, screen printing, screen printing transfers (single-colour and multicolour), pad printing and digital printing on items. Ideal for companies, sports clubs, associations, schools, youth movements, events and private customers.
