DESCRIPTION

Men's denim short made from a cotton/polyester/viscose/elastane blend that delivers lightness, comfort and stretch. The length sits above the knee, with belt loops, a brass button and contrast topstitching; the Extreme Motion fabric provides a natural faded effect while allowing ease of movement.

The design features a five-pocket layout visible on the photo, clean stitching and a simple hem. Care is straightforward given the fibre mix, and the denim finish makes it suitable for regular professional or leisure wear.

This personalised short can be customised from 1 piece on a wide range of textiles. Available techniques include embroidery, DTF printing, flex, screen printing and transfer prints; embroidered patches can also be applied. Ideal for companies, sports clubs, associations, schools, events and private individuals. We provide a free quote within 24 hours on weekdays and our design studio can vectorise or retouch your logo. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Sizes: 28 to 38. Available in 1 colour (Blue Rooster).
