DESCRIPTION

Compact and practical, the Auro salt and pepper mill features two separate ends for seasoning food with ease. Made from stainless steel and PS plastic, it provides a comfortable grip and straightforward care — usually just a wipe with a damp cloth. Its stated capacity holds a useful amount of salt and pepper for everyday kitchen use or table service. Lightweight and easy to handle, the mill suits both home worktops and restaurant tables, offering a discreet, functional addition to any dining setup.

As a custom / personalised salt and pepper mill with logo, we offer tampography and laser engraving to achieve the desired finish. Ideal for companies, sports clubs, associations, hospitality venues, events and private individuals who want a practical, attractive branded item. Our graphic studio can prepare your logo for marking.
