Country of origin	Pays Bas
Carton	6 pieces

DESCRIPTION

The Ellipse 500+200 ml thermal lunch pot combines PP plastic, stainless steel and PCTG with two separate compartments each featuring its own lid to keep ingredients apart. The outer surface stays cool and dry and the pot is leakproof; the clear upper container holds 200 ml (about 75 g of solids) and the lower container 500 ml. For best thermal performance, rinse the pot with hot or cold water before filling. Hand washing is recommended while plastic lid parts are dishwasher-safe. BPA-free and covered by a 2-year MEPAL warranty.

This custom / personalised Ellipse 500+200 ml thermal lunch pot with logo can be marked by screen printing, pad printing, laser engraving or digital printing. Suitable for businesses, sports clubs, associations, events and private customers looking for a practical, reusable promotional item. Our studio can retouch or vectorise your logo for inclusion in the quote.
