DESCRIPTION

The Mepal Cirqula bento bowl (250+250+500 ml) is made from BPA-free PP plastic and designed for everyday use. Its three-compartment layout keeps ingredients separate — ideal for rice dishes, poke bowls, snacks with sauces and side dishes — and is suitable for fridge and freezer storage and microwave reheating (without the lid). The clear lid provides an airtight seal to preserve flavours and freshness, and the bowl is dishwasher-safe (max. 65 °C). Practical and user-friendly for serving at the table or taking meals on the go.
