DESCRIPTION

The Cirqula rectangular bowl 500 ml is a compact container made of PP plastic with TPE trims, designed for everyday food storage and serving. Stackable and space-saving, it is suitable for the fridge, freezer, microwave (without lid) and dishwasher (max. 65 °C). The transparent lid provides an airtight seal to preserve aromas and allows quick identification of contents. Both bowl and lid are easy to clean and store, offering a practical solution for meal prep and transport.

Offer a custom / personalised bowl with logo using pad printing (tampography) or laser engraving for a durable mark. Ideal for companies, sports clubs, associations, events and private customers, it makes a practical promotional item, corporate gift or catering accessory. Our studio can prepare and adapt your artwork for marking.
