DESCRIPTION

The Cirqula rectangular bowl 1,000 ml with multiple compartments is ideal for storing, preparing and serving sauces, salads and leftovers. Made from PP and TPE plastics, it is lightweight and practical: suitable for the fridge, freezer, microwave (without lid) and dishwasher (max. 65 °C). The transparent lid lets you see contents at a glance, while the flexible, innovative seal provides an airtight closure and is BPA-free — great for transport and everyday use. Easy to care for in the dishwasher and convenient to handle thanks to its rectangular shape.

To create a custom / personalised rectangular bowl with logo, we offer tampography and laser engraving, suitable for the plastic surfaces of the lid or body. Ideal for companies, sports clubs, associations, events and private customers seeking a useful, branded item. Free weekday quotes and collection in Evere or delivery in Belgium, France and Luxembourg.
