DESCRIPTION

The Brama wooden bottle opener is designed for effortless bottle opening. Its working part is made of stainless steel for strength and wear resistance, while the rubberwood surface gives a natural look and a comfortable grip. Compact and lightweight, it fits easily in kitchens or promotional kits; the clean, practical design makes it pleasant to use every day. Made from durable materials for straightforward care.

Order a custom / personalised bottle opener with logo using tampography, laser engraving, doming or digital printing. Suitable for companies, sports clubs, associations, events and private customers who want a useful, branded item.
