DESCRIPTION

The Tromso wine cooler is crafted from stainless steel with a double-wall construction, offering practicality and easy cleaning. The inner steel layer is simple to maintain, while the coloured outer finish gives a contemporary look and helps keep your bottle chilled. Its robust yet elegant design suits both casual dinners and corporate events, providing reliable performance and everyday convenience. Stainless steel construction ensures durability and a refined appearance.

We offer a custom wine cooler with logo using tampography or laser engraving. Ideal for companies, sports clubs, associations, events and private customers, it makes a great corporate gift, award or event keepsake. Ask for a free quote and our studio can retouch or vectorise your artwork if required.
