DESCRIPTION

The Sommelier Nordkapp is a practical kitchen tool made from stainless steel, designed to make opening bottles easier. It features a capsule cutter and a bottle opener, with a coloured body for an attractive look. Comfortable to hold and simple to hand-wash to protect the finish and metal longevity. Its compact, lightweight design slips easily into a drawer or service kit for professionals and wine enthusiasts alike.

For a custom personalised Sommelier Nordkapp with logo, we offer tampography and laser engraving to apply a logo or message. Perfect for companies, sports clubs, associations, events or as personalised gifts for individuals. Free weekday quotes and single-piece orders available with collection at our Evere workshop.
