DESCRIPTION

The Sommelier Carmenier is a service tool crafted from bamboo and stainless steel, combining a corkscrew with a retractable knife and a natural bamboo handle. It offers practical performance for opening bottles and light cutting tasks while bringing a warm, sustainable touch thanks to the selected bamboo. Care is recommended by hand washing to preserve the wooden handle, and it stores compactly in a kitchen drawer or service bag.

This custom / personalised Sommelier Carmenier with logo can be finished using laser engraving or doming to apply a logo or design. Suited to companies, sports clubs, associations, events and private individuals seeking a useful and elegant branded item.
