DESCRIPTION

Put on the adjustable Andrea apron to protect your clothes while cooking. Made from twill (65% polyester, 35% cotton) at 240 g/m², it combines durability with comfort, featuring an adjustable neck loop and tie closure at the back to fit all sizes. Two front pockets keep utensils and small tools close at hand. Easy to care for, it suits both professional hospitality use and home kitchens, providing practical protection with a tidy cut and comfortable wear throughout service or meal preparation.

This apron is a custom / personalised Andrea apron with logo ideal for prominent branding. Customisation options include screen printing, embroidery, multicolour transfers and DTF printing, suitable for businesses, sports clubs, associations, events and private individuals seeking a practical, branded textile item.
