DESCRIPTION

The Titan lunch box in recycled stainless steel is a sustainable choice for taking meals on the go. Made from recycled stainless steel and packed in a recycled polyethylene bag within a kraft paper box, it has a 750 ml capacity and is dishwasher-safe. Its practical shape makes it easy to carry and maintain, suitable for the office, school or outdoor activities. Sustainable and easy to care for, the lunch box combines practicality with an eco-conscious approach.

For customisation, the custom / personalised Titan lunch box with logo can be marked by tampography or laser engraving in our workshop. Ideal for businesses, sports clubs, associations, schools, events and individuals, it is a useful and eco-friendly promotional item. Free quotes and a graphic studio are available to retouch or vectorise your logo.
