DESCRIPTION

The Delys bamboo chopping board is perfect for food preparation and serving — it also works as a cheese or snack platter. With a 30.5 cm diameter, an 8 cm handle and a 1.4 cm thickness, it offers a comfortable grip. Made from natural bamboo, it requires hand care and is not suitable for microwave or dishwasher use. This custom personalised cutting board with logo brings a warm, natural touch to kitchens and buffets.

Personalise the board using laser engraving, ideal for logos, names or detailed designs. Suitable for companies, sports clubs, associations, schools, events and private customers looking for a useful and elegant item. Our studio can retouch or vectorise your logo for a crisp engraving.
