DESCRIPTION

The Mangi 500 ml lunch box combines practical use with responsible materials: a body made from GRS-certified recycled plastic, a bamboo lid and an elastic strap to keep the lid secure and help preserve food freshness. Its compact capacity is perfect for office lunches, picnics or commuting, and the plastic-bamboo combination offers a contemporary, natural look. Lightweight and easy to carry, it suits everyday use.

Offer a custom / personalised lunch box with logo using laser engraving on the bamboo lid: a precise, elegant technique to mark logos and text. Ideal for businesses, sports clubs, associations, schools, events and private customers. YourVisualHere provides a graphic studio to prepare or vectorise your logo and accepts orders from one piece.
