DESCRIPTION

Oval tray made from recycled teak root, produced from teak industry waste and handcrafted by artisans in East Java. Suitable for serving snacks, sweets, coffee or tea, each tray has a natural, unique appearance and is food-safe. Dimensions: 24 x 12 x 1.5 cm. The ergonomic oval shape and artisanal finish bring warmth and character to kitchens and tabletops.

Offer a custom / personalised wooden tray with logo using laser engraving, a precise technique ideal for logos and designs on wood. Perfect for businesses, clubs, associations, events and private customers seeking a useful, attractive item made from recycled materials.
