DESCRIPTION

The custom / personalised Leveler keyring with logo is a compact acrylic keyring fitted with a small spirit level, useful for everyday carry. Its slim profile and clear material create a lightweight yet sturdy accessory that slips easily into pockets or bags. Care is straightforward: a wipe with a damp cloth keeps the acrylic clear and neat. Suitable as a promotional giveaway, event item or team gift, it combines practicality with visibility.

Personalisation options include pad printing, screen printing on objects and digital printing, so you can choose the finish that best suits your logo or artwork. Ideal for businesses, clubs, associations, events and individuals wanting a distinctive branded keyring. Free quotes available.
