The Timor carabiner keyring is a practical, lightweight accessory that clips easily to a backpack or loop. Made from durable aluminium with a striking metallic finish, it provides secure attachment but is not suitable for climbing. Its compact design is comfortable to carry and easy to maintain — a quick wipe keeps it looking sharp. The carabiner keyring combines functionality and style for everyday use.

As a custom / personalised carabiner keyring with logo, we offer tampography and laser engraving for a visible, long-lasting mark. Suitable for companies, sports clubs, associations, events and private customers.
