DESCRIPTION

The Boucle extensible Lech is designed to hold a badge or function as a handy keyring. Crafted from ABS plastic, it offers a lightweight yet durable feel, and the extendable design makes attaching and removing badges easy at trade shows or in daily use. It is low-maintenance: wipe with a damp cloth and avoid harsh chemicals. Its compact profile allows discreet wear on workwear or at events.

This custom / personalised Boucle extensible Lech with logo can be printed using tampography, screen printing for objects, doming or digital printing. Ideal for companies, exhibitors, clubs, associations, schools and private individuals seeking a practical branded item; our studio can retouch or vectorise your logo for production.
