DESCRIPTION

The custom / personalised trolley keyring with logo is a handy accessory designed to hold a token with a 6 mm diameter for a 1 euro coin — perfect for freeing your pockets when using a shopping trolley. Made from an alloy, it provides a secure feel and a subtle metallic finish. Compact and lightweight, it attaches easily to a keyring or bag. Care is straightforward: a soft cloth will keep the alloy looking good.

Personalise this keyring using laser engraving, a technique that delivers precise, durable marking. Ideal for companies, sports clubs, associations, schools, events and private individuals seeking a practical, understated custom keyring with logo.
