DESCRIPTION

The Gian rectangular keyring in beech wood is a simple, natural accessory that adds an authentic touch to your keys. Its compact dimensions and the beech wood material provide a pleasant grip and a warm appearance. Supplied in a brown recycled kraft envelope, it slips easily into a pocket or bag. Care is straightforward: a dry cloth is enough to remove dust and preserve the wood's look.

This custom / personalised keyring with logo is ideal for laser engraving for precise, elegant marking, or for pad printing (tampography) when colour or larger runs are required. Suitable for companies, sports clubs, associations, events and individuals seeking a useful, branded keepsake.
