DESCRIPTION

The rectangular Neta bamboo keyring combines a natural bamboo plate with a zinc-alloy metal trim, giving a tidy, eco-minded look. At 5 x 3 cm it slips onto a keyring easily and is supplied in a recycled kraft envelope, making it a tasteful gift or promotional item. The compact rectangular shape is comfortable to handle and simple to spot on a bunch of keys; cleaning is straightforward with a dry or slightly damp cloth to maintain the bamboo and metal finish.

This custom personalised rectangular bamboo keyring with logo can be marked by tampography or laser engraving for a crisp, refined result. Ideal for companies, sports clubs, associations, events and private individuals seeking a practical, natural promotional item.
