DESCRIPTION

The Stockholm 10L foldable insulated bag is made from 600D polyester and features a zipped main compartment and a zipped front pocket for small items. An adjustable shoulder strap provides comfortable carrying, and the bag folds flat thanks to Velcro on the front pocket for easy storage. Practical and low-maintenance, it is well suited to picnics, light hikes or transporting food and drinks to keep cool.

To personalise this custom / personalised insulated bag with logo we offer sérigraphie objet. Ideal for companies, sports clubs, associations, events and private individuals seeking a useful, branded item. Free quotes and workshop collection or delivery across Belgium, France and Luxembourg are available.
