DESCRIPTION

The Lighthouse 21L non-woven insulated bag offers a discreet design with practical cooling performance: it looks like a regular bag but keeps drinks chilled in its large zippered main compartment. Lightweight thanks to its 80 g/m² PP non-woven construction, it has 28 cm handles for easy shoulder carry, plus an open front pocket and a pen loop. Easy to care for, it suits picnics, camping and everyday use where a cold drink on hand matters. This model makes a functional and attractive custom / personalised insulated bag with logo.

Brand this insulated bag using our available techniques: Sérigraphie objet, Transfert multicolore and Impression DTF to reproduce logos and artwork. Ideal for companies, sports clubs, associations, schools, events and private customers seeking a custom / personalised insulated bag with logo for merchandising, gifts or promotional use.
