Country of origin	China
Carton	100 pieces

DESCRIPTION

Compact bamboo USB stick (64 x 19 x 13 mm) designed for professional and promotional use. The bamboo casing provides a natural, smooth finish and a pivoting cap protects the USB connector while fitting into the body for a low profile. As bamboo is a natural material, colour and grain will vary between items. Care is simple: wipe with a dry or slightly damp cloth.

The sliding/rotating mechanism makes it easy to connect without losing a cap, and the rounded ends improve handling. Its small footprint suits keyrings and corporate gift packaging. Available in several natural wood tones (for example light, dark, stained) subject to stock availability.

Customisation available by laser engraving or pad printing; suitable for businesses, clubs, associations and events looking for a personalised USB stick as a giveaway or branded item. Minimum order: 50 pieces (colours and sizes combined). Our graphics studio can retouch or vectorise your logo and we provide a free weekday quote.
