DESCRIPTION

The Petit sac isotherme Papyrus 3L looks like an ordinary bag but conceals a practical function: a main insulated compartment closed by a roll-top with hook-and-loop fastener. Made from non-woven polypropylene 110 g/m², it is flexible, lightweight and easy to carry for picnics or camping trips.

This custom / personalised small insulated bag with logo can be decorated using sérigraphie objet and is ideal for businesses, clubs, associations, events or private buyers. Perfect as an outdoor accessory or a reusable everyday bag.
