DESCRIPTION

The recycled 210 g/m² Pheebs backpack with drawstring (6L) is a lightweight, practical option made from a blend of recycled cotton and recycled polyester. It features a large main compartment with a cotton drawcord, two handles with a 14 cm drop, and a load capacity of up to 5 kg. Minor colour variations may occur due to the production process. Easy to care for, it suits everyday use, events and light travel while highlighting eco-friendly materials.

We offer a custom / personalised recycled backpack with logo using several techniques: embroidery, object screen printing, multicolour transfer and DTF printing. Perfect for companies, sports clubs, associations, schools, youth movements and private customers. Free weekday quotes and an in-house design studio to refine or vectorise your logo.
