DESCRIPTION

The custom / personalised Retrend marine bag with logo is a water-resistant travel bag made from recycled PET plastic, designed for practical, reliable use. It features a spacious 20-litre main compartment with drawcord closure, a side handle, adjustable shoulder strap and a separate zipped lower pocket for small items. Constructed in 600D recycled polyester, it is easy to care for and suited to marine outings, sports and everyday travel, combining functionality with an eco-conscious choice for comfortable, long-lasting use.

We can personalise the bag using embroidery, screen printing on objects, multicolour transfer and DTF printing, with support from our in-house graphics studio. Ideal for companies, sports clubs, associations, events and private customers. No minimum order and options for workshop pickup or delivery.
