DESCRIPTION

The Trace Weekender recycled shopping bag is ideal for short getaways thanks to its large capacity and full-length zip that keeps your belongings secure. The main compartment also includes a small zipped pocket for accessories. Made from recycled cotton and recycled polyester (500 g/m2) and featuring Cyclo® technology, each bag embodies a circular approach and comes with an Aware™ tracer so users can trace the item's origin via a QR code.

Order a custom / personalised shopping bag with logo for companies, sports clubs, associations, events or individuals: personalisation is available via Impression DTF, object screen printing (Sérigraphie objet) or Embroidery according to the desired finish. Ideal for corporate gifts, event merchandising or retail promotions.
