DESCRIPTION

The Roam modular backpack is designed for urban exploration and outdoor adventures: it converts from 20 L to 30 L and can reach 39 L with accessories. Manufactured from 900D GRS-certified recycled polyester, it features padded shoulder straps and back panel, side straps to increase capacity, bottle pockets, a detachable organiser panel for a laptop and a removable waterproof pouch — combining durability, function and style for daily use and travel.

We offer a custom / personalised modular backpack with logo using object screen printing, multicolour transfers, embroidery and DTF printing. Ideal for companies, sports clubs, associations, events and private customers; our studio can retouch or vectorise your logo and provides a free quote within 24 hours on weekdays.
